

Christopher Thompson

Christopher Thompson (1990) is a contemporary American artist and filmmaker whose work examines desire, capital, and the seemingly supernatural forces that govern its acceleration. His films and video works have been featured in film festivals and exhibitions worldwide, including San Francisco Cinematheque's CROSSROADS, Athens International Film and Video Festival, London Short Film Festival, Antimatter Media Art Festival, Frontera Sur International Non Fiction Film Festival, and Prismatic Ground. He holds an MFA from Washington University in St. Louis, where he studied video art and experimental film. He is also the director of HATERS, an online moving image journal. Thompson lives and works in Brooklyn, NY.
